No!
Two sandwiches please!
People say handsome men come in pairs. You're tried is good looking too!
Kyack
Of course I haven't forgotten.
If you have something to say then wait until I'm done.
Sorry, but I'm busy right now.
I thought your family would have killed themselves, but you all seem to be full of energy.
sfx: grin

smack
Why would we commit suicide?
Is this the guy with the crude vocabulary?
Yes! This is Jin Sol Ryu. I used to be jealous of him because we were love rivals, but now he's a good friend
smile
Since when have we been friends? Also, what kind of introduction was that...?
And when were we love rivals??
sfx: chatter chatter
나와!
나와!
If you want to talk to Mu Hyul then help us sell these sandwiches
smile
Gladly!

If I'm selling to these beautiful women, then we'll be finished in no time~
Kyaa~
Cocky bastard...
If you're eating these sandwiches, you won't even notice if the person next to you died. They're just that delicious!
Kyaa I'm going to faint!
smack
Why are you hitting me again?
Don't over-advertise the product.
My sandwiches don't kill people. They save lives!

Che! Jeez..
You're pretty bossy.
sfx: mutter
And aren't you going to try some? How can you sell them if you don't know what they taste like??
Wow. this is good! Maybe I should buy some for my parents before they sell out Can I have two... no... three sandwiches?
Kids these days don't consider their parents anymore.
You're a good son.
sfx: sniffle
You remind me of Seung Joon..
Mother
I get that a lot.. Do I really look like that doctor??

Everyone! These are healthy sandwiches made by doctors who have been caring for the people for three generations!!
The reason why she is so beautiful when she is middle aged is this
Is that Jin Sol Ryu?
What?
For those of you who are looking for something healthy,
Something that will make you thin, sexy, and beautiful...
That will give you healthy hair and help you grow tall
I have a face which is more beautiful than a woman!
Just look at me and my extraordinarily handsome looks
And smooth skin.
What the heck are you selling...?
It's all because of the sandwiches!

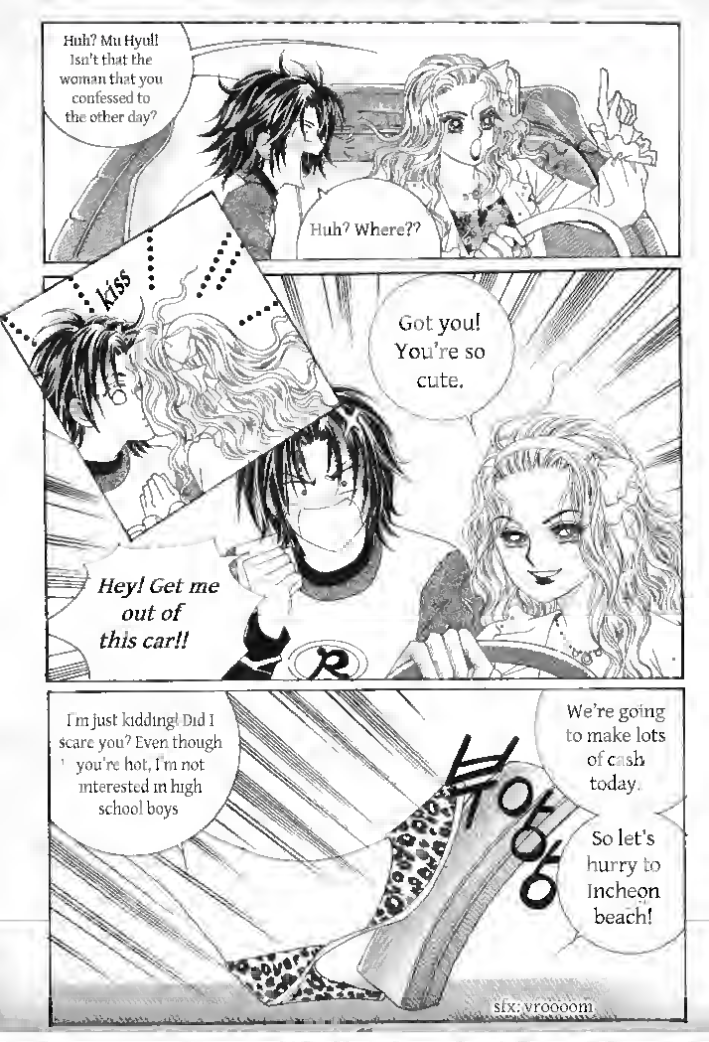
I want some!
Will I really become pretty?
I'll take three!!
I'm beautiful enough, so just give me one.
I should eat a hundred!!
Haha haha.
I'll take five!!
Line up in front of a guy you think is more handsome...
How many do you want?
Haha! After learning you look like my brother I've come to love you more Maybe we should be blood brothers?
I still don't see the similarities...
Anyways, everything is sold out Let's talk now.
honk! honk!
Mu Hyul! Sorry I'm late!

What should I do? You helped me a lot but I have to go... I'm sorry!
What?!
Small text, Argh!
I'll be back at school on Monday. Please tell Bo Eun not to worry and to be a little more patient.
We can talk at school.
Oh! And tell Bo Eun I love her and that I'm always thinking about her!
I helped you all day and now you're leaving me?!
Mu Hyul Choi You stop right there!! Do you think I came here to be your delivery boy??

Che! Did he change after what happened with him? Who was that sexy woman??
You are such a carefree man . If you knew that I, Jin Sol Ryu, was your rival, you would be more careful of my relationship with Bo Eun
Because that's why I came to see you...
Here! I've packed three sandwiches for you. Consider this a part of your pay
sfx touch
It's okay I don't need to take money from poor people I helped you because I wanted to
Who are you calling poor? I still have working arms and legs I can take care of myself You worked hard today, so take what you deserve
Thank you

Let me help you.
This is my job. Don't worry about it.
I forgot,
Mu Hyul has another part time job...
You didn't get to talk to him because I made you work. I'm sorry for wasting you time.
I'm not as innocent as you think. I had ulterior motives for helping you.
If you don't want to waste my time, then let me push the cart back to your house. Then I'll know where you live.
You seem like the type that doesn't listen very well.
You only listen to what you want to hear, right?
Haha! So you've noticed?

President! Did you see that sports car? A very sexy woman is driving it!
Should we follow her?
I don't care how sexy she is--
Do you realize I'm married??
Ah yes... but I also saw Mu Hyul in the car
Aren't we trying to talk to him?



Huh? Mu Hyul! Isn't that the woman that you confessed to the other day?
Huh? Where??
Got you! You're so cute.
Kiss
Hey! Get me out of this car!!
We're going to make lots of cash today.
So let's hurry to Incheon beach!
I'm just kidding! Did I scare you? Even though you're hot, I'm not interested in high school boys
sfx: vroooom

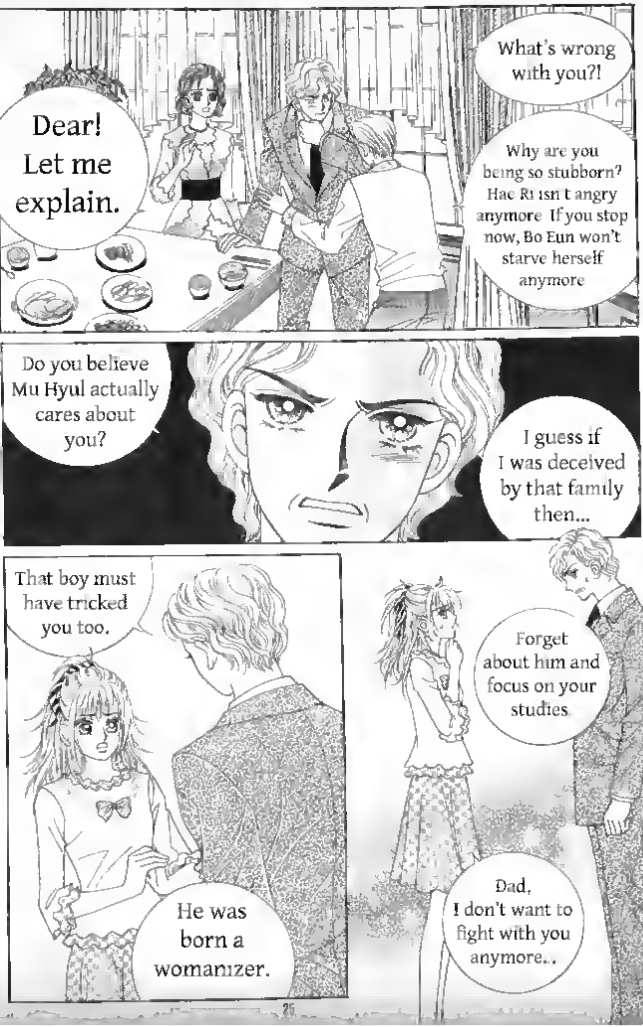
Oh no. Oh no, no, no.
Mu Hyul is about to lose his chance at marrying into a rich family! The President just caught him kissing an older girl in the middle of the street! He'll never forgive Mu Hyuk now!!

Just when I was about to forgive that two timing bastard...
While my daughter has been starving herself to protect him, I find him fooling around with other women!

She's eating so much...
Hmph! I guess she didn't have the guts to actually die from starvation.
Here! Have some of this too!
I'm so .. happy..!
Everything tastes so good!
It's okay...
This chicken soup with ginseng is good for your body
Father! Stop feeding her. It's not healthy for her to eat so much after fasting.
sfx. snuffle
I want pizza and strawberries
Then let's have some pizza!
Don't worry about her mom. Bo Eun has a stomach of steel. She can eat anything.

I feel so alive!
You must be happy to eat again...
I didn't realize how hungry I was until now. I almost feel normal again.
Rice has never been so amazing..
I don't know how you went this long without eating
You're eating...
Dad!
When did you get back?
Dear! Eo Eun is finally eating! We don't have to worry anymore.
Why are you home, Dad?

This is good...
Why is father making that face?
He seems angry. Although, that's pretty understandable...
sfx: creak
Dad... are you still going to punish Mu Hyul and his family?
I thought I told you not to say his name around me
Dad...
Huh? Is dad still angry?



What's wrong with you?!
Dear! Let me explain.
Why are you being so stubborn? Hae Ri isn't angry anymore. If you stop now, Bo Eun won't starve herself anymore
Do you believe Mu Hyul actually cares about you?
I guess if I was deceived by that family then...
That boy must have tricked you too.
He was born a womanizer.
Forget about him and focus on your studies.
Dad, I don't want to fight with you anymore...

I saw him making out with an older woman!
Not only did he fool my daughters, but he immediately found another woman.
He's using all of you for his own pleasure!
I may be over-protective,
But I can't stand to watch my daughters be fooled by him.
It's dark...
Everything is spinning... I feel dizzy.

Art Room
Is Mu Hyul here?
두리번
두리번
Bo Eun?? Mu Hyul is still gone
sfx: look look
Why are you looking for him?
Look at what he drew while you were gone! This is how he feels about you!!

So to answer your question, Mu Hyul isn't here
Aren't you a member of the art club? Whose side are you on?
And you're surprised??
What did you expect?
You destroyed Mu Hyul's family,
Why are you yelling at Bo Eun?
She's probably hurt the most by this.

Hmph! How can she say she likes him when she's already going out with Jin Sol??
Mu Hyul would hang himself if he knew what was happening.
The art club supports Mu Hyul
We don't care if you're royalty, we don't want to see you or Hae Ri ever again
Get out and never come back!
Slam
thump

What happened? Did they kick you out?
slide
throw
You can have this too!
What are you doing?
Why are you guys bullying my precious princess?
Princess?
You may think she's precious, but to us, she's a traitor

I'm happy you're eating again
Don't listen to these girls They will sacrifice anything for Mu Hyul
She really did starve herself..
Shut up! Don't trust everything he says!
Why did your family shut down the hospital??
Everybody thank you for worrying about Mu Hyul
Hmph! What a weirdo
Art Room
slam
Mu Hyul really knows how to attract women.
They should change the club name to Mu Hyul's Fan Club

I understand what it feels like to be rejected.
He hasn't returned to school...
Where are you, Mu Hyul?
I wonder how Mu Hyul is doing?
My heart is black like this drawing...
I can't believe you did this...
I don't... want to believe you kissed another woman...

Are you angry?
You told me that you loved me. You promised you would never leave me.
Stop worrying. It isn't good for your eyes He'll be back next week
I, on the other hand, missed you!
I love you~
You're still saying that?? I wasn't crying for you!!
POW
Get off of me!

I was going to tell you news on Mu Hyul, but I guess you don't want to hear it
sfx: turn away
What??
Wait, Hae Ri!
Hmph! I was going to tell her about Mu Hyul too.
After all... I know where he lives!!
I wonder what Hae Ri was going to tell her. Did she really give up on Mu Hyul?

Aren't you tired of father's stubbornness?
Aren't you worried about mom? Don't you want Mu Hyul to return?
If you went out with Jin Sol, everything would be solved
Is that what you wanted to tell me?
I'd rather die than do that.
I'm not like you. I'm too scared to fight dad, since I'm not his real daughter. So I'll tell you a secret. I saw Mu Hyul getting on a ship.
Really?
Die?
You'd rather die??
What? A ship?

Duk Il skipped school to prepare for his birthday date. You think Hae Ri will agree to go out with him?
He rented the whole boat for one girl.
I know he hates Mu Hyul, but I wished he invited us too...
Isn't it Duk Il's birthday today?
VROOM
Is Bo Eun going to see Mu Hyul?
I heard my brother invited you on a birthday date?
I don't know what you're talking about.

Then who else would he invite?
He doesn't know your secret.
Your brother doesn't care about anyone without noble blood.
Whatever I'm not interested in him anyways.
Poor guy!
haha
How cold.
I thought you would have gone to my brother after what happened with Mu Hyul.
My family celebrated when I told them I gave up on Mu Hyul.
But I only told them that to be nice.
You think I'd be satisfied with a cow when I wanted a horse?

You didn't have to lie.
I'm marrying Bo Eun anyways, so don't do anything too crazy.
Get off!
smack
I don't need your pity.
Do you know where destiny comes from, Hae Ri?
If you unfolded your fist,
It's laying right on your palm.
Destiny and happiness aren't predetermined. You create them with your own hands, so don't give up just because you aren't their real daughter
Thanks for your advice, but don't worry. I'd carve my own destiny with a knife if I had to.
If that's the case, then why did you tell Bo Eun where Mu Hyul is?

What are you talking about?
I don't know where he is.
What?
She did tell me that she would rather die than be sold to you...
Maybe she was heading towards the holy sea?

Go to Incheon Beach.
Mu Hyul will be waiting on a white fishing boat called the Venus.
You should hurry.
There's no need to wait for me.
VROOM
TAXI
Hey! Do you know a ship called the Venus?
The Venus sailed off a while ago

No way...
H-how can this be...?
Are you Bo Eun?
sfx: stagger
Yes. Who are you and how do you know my name?
Get inside! I'll take you to the Venus.
Thank god. I was going to be upset at Mu Hyul,
For leaving without saying anything
That's the Venus.
That's a really pretty fishing boat...
